## HOW THE WEST WAS WON

The Best Golf in California as Chosen by YOU

### ORANGE COUNTY

#### **Favorite Golf Course:**

(three-way tie) **Arroyo Trabuco, Oak Creek, Black Gold Golf Club**

Perhaps the most well-rounded county in California in terms of great golf, three golf courses tied for first place among the most-favorite: **Arroyo Trabuco Golf Club, Oak Creek Golf Club** and **Black Gold Golf Club**.

For value, **Mile Square Golf Course** earned top marks, while the practice facility at **Oak Creek** blew away the competition. And a special shout out to our loyal readers in the OC for putting up the most votes of any region. Nicely done!
